Finances and Insurance Agreement

Welcome to our office and thank you for selecting us to serve your dental needs. We know that you are concerned about the cost of your dental care and we want you to know that we strive to keep our fees constant. You can help us by making prompt payment for services rendered thereby reducing the costs of billing and collecting.

These payment options are available;

*Payment in full at time of service by cash, check or credit card
(Visa, Mastercard, Discover, American Express)

*If you have dental insurance, payment in full of the estimated portion including any deductibles at time of service.

PLEASE NOTE: Any dental insurance benefits that you may have are as a result of an agreement between your employer or your spouse's employer and an insurance company. We have no affiliation with any insurance company. You are responsible for knowing your insurance and coverage.

As a courtesy to you, we will accept assignment of your dental insurance benefits when you provide us with a completed and signed claim form that we can file for you. Please remember that you, not your insurance company, are responsible for the payment in full of the fees for services rendered.

We will estimate what your insurance will pay and what your portion will be for each visit. However, this is only an estimate and any balance remaining after we receive payment from your insurance company is your responsibility. If your insurance has not paid us within 60 days, we will bill you for any balance.

CANCELLATION FEE: If a scheduled appointment is cancelled within 24 hours it will be subject to a \$40.00 cancellation fee. If a scheduled appointment is missed, without any notification of cancellation, it will be subject to a cancellation fee. Please see our office Cancellation policy for more details.

Your cooperation in this matter is greatly appreciated and allows us to continue to offer this service at no charge to you. Thank you for your understanding.

Welcome to our practice!
